

New Court

A wonderful collection of furniture made from solid European Oak

New Court

is a collection of furniture made to an exceptional standard in Europe using the highest quality European Oak giving it a very crisp, clean finish. You will tell from the weight and the feel that solid oak is used throughout and all pieces are made traditionally.

The collection comes in a waxed finish as standard except for the Dining and Coffee and Lamp Tables which have an attractive soft sheen satin lacquer protecting them from most hot items and spillages etc.

Each item can be finished in either oil or lacquer on request at a small additional charge (please refer to price list). We offer a bespoke service with this collection so if you can't find what you need, please contact your retailer who will do their best to help fulfil your requirements.
